Lakshmi's style is human and authentic. She builds natural rapport with her audience, is engaging and allows space and time for interaction. Lakshmi handles sensitive topics with the care they deserve while also adding a refreshing lightness which helps break down barriers. Working with Lakshmi was an absolute pleasure.

KATE THRUMBLE

SVP, Head of People and Experience at VaynerMedia | HR

She was extremely relatable. Everyone left the room inspired. We then requested if she was able to be part of our initiative in advocating Inclusion, Diversity and Belonging through a session of Active Listening. The session was extremely engaging. Every feedback that we received from the attendee were positive.

PHYLLICIA TOH

Program Manager, LONZA

Lakshmi has a wonderful presence as a keynote speaker, a cadence in her presentation that is easy to follow and wonderful stories. She did a great job of inspiring the attendees and her timing in her TEDx style presentation was spot on. Her words and style are what helped us to receive a standing ovation once the conference concluded.

ROB SALISBURY B. COM., CSP
